2020-2021 PARTICIPATION WAIVER (Must be included with fall registration form.)

I have read the published guidelines and protocols. I give my consent for _____ to participate in 2020-21 Dancer's School classes. I fully understand that I, or my child, participates at our own risk and will not hold The Dancer's School, any teacher, or worker liable for any and all COVID-related circumstances. I, also, understand and agree that one parent signature is sufficient. I understand that signature denotes acceptance and compliance. I understand guidelines are subject to change.

*Add \$20 per 90 min class
 3rd student in family 50% off
 College students- 10% discount
 Fees due first class of month*

SCHEDULE SUBJECT TO CHANGE

SETTING THE STAGE

TDS Online

“Necessity is the mother of invention”

A creation necessitated by COVID, we are excited to expand the TDS Online platform to enhance the educational offerings of The Dancer’s School. While TDS Online was primarily used to access online class video instruction during the shutdown, we have now enhanced and repurposed this site to become a regular part of every student’s monthly dance education. Only registered students will have access to TDS Online. A new TDS code will be provided when fall classes resume. It will always be a work in progress. Major components of content include:

- STAYING CONNECTED/ At the end of each month every teacher will submit a video of class work or choreography. When students have to be absent they will be able to stay current by having access to the video highlights of class work. No one should ever feel behind with this virtual backup content.
- MUSIC / Show music mixes (when ready).
- BONUS VIDEOS/ tutorial videos, class footage, community performances, etc:
- THE DANCER’S LIBRARY /Age appropriate enrichment suggestions; books, music, movies, DVDs, quizzes. color sheets, etc:
- TEACHER TALK/Monthly interview with a different teacher about all things dance.
- NEWS/ Studio news and updates
- COSTUME CORNER/ TBA
- Regular updating with added fun information each month.

This new learning tool will remain in place as a part of the total dance experience if the studio ever had to revert to total online classes. TDS Online content will now become a part of every student’s TDS monthly experience. This is not a voluntary subscription. A value cost of \$15 a month, per family, should be included with the monthly dance fee. We trust every family will find it essential and enjoyable. Thank you

2020-21 COVID GUIDELINES AND PROTOCOL

Providing a safe dance visit can best be accomplished when home and studio work together. Information is SUBJECT TO CHANGE EVERYDAY. If needed, will update via Constant Contact.

YOUR PART

- . Do not attend class if anyone in immediate family is sick with a fever or COVID positive.
- . Parents know their children best. Students should not attend class if you suspect they are not feeling well, have a cough, or respiratory type symptoms, etc:
- . Encourage students to social distance when entering studio.
- . If possible, use restroom, wash hands, check temp, before you send your child to class.
- . Bring personal water bottle. No access to water fountains.
- . A parent may enter to do business at reception window or accompany a young child to class.
- . Contact director immediately if student tests positive for COVID.

OUR PART

- . Touchless hand sanitizers are located inside each studio for use before and after class.
- . Studio floors are marked for social distancing. Max 15 in larger studio. Max 8 in studio 3.
- . Wipe downs in studios and bathrooms between classes.
- . Will open doors at exact class time. Will dismiss one at a time to enforce social distancing.
- . No waiting in lobby for anyone. Restrooms open to dancers only.
- . If needed a new parent visit will be scheduled separately before fall schedule begins.
- . Restrooms open to dancers only.
- . Teacher will call parent to come pick up student if student exhibits concerning symptoms.

TOGETHER

- . Masks are strongly recommended for everyone coming and going in and out of studio.
- . Masks are strongly recommended, however optional, for dancers and teachers during classroom training. Social distancing will be implemented.
- . If a student reports a positive test for COVID the parents of that class will be notified. Further directions and actions should be dictated by your health care provider.
